#### Annexure 1 Referred to in Independent Bank Auditors' Report

- Due to increase in the nominal value of each share from Rs.50/- to Rs.100/- and thereafter to Rs.500/-, share suspense account was not created relating to partial amounts collected against share capital.
- As per the bye-law of The Gurgaon Central Co-operative Bank Limited, it is mandatory on the Part of Bank to distribute the Net Profit as per the Audited Balance Sheet in the following manner with the prior approval of Registrar of Co-operative Societies: -
  - At least 25% of the Net Profit shall be carried forward to the Reserve fund.
  - At least 10% of the Net Profit shall be carried forward to the Bad debts and surplus fund.
  - At least 15% of the Net Profit shall be carried forward to the Agricultural Credit Stabilization Fund.

Bank has appropriated the profit in the above specified manner up to the financial year 2012-13. No appropriation of the profit was made for the financial years from 2013-14 to 2016-17. Besides above, any other fund has not been utilized / appropriated as the permission for the same has not been granted by appropriate authority as informed by the management.

- As per Income Recognition Norms, any recovery in the loan account will first be appropriated towards recovery of interest. But the bank is not following the income Recognition Norms. As stated by Bank As per Memo No. Credit/3/17/95/C-3/1741,4-31 dated 30-8-2000 issued by Registrar of Co-operative Societies, CCBs to recover interest from PACS in the same its manner in which the principal and interest has been recovered by the Primary Society from its members. To enable the CCB to recover of interest in the above explained manner, PACS would give a detailed statement showing recovery of principal and interest separately from its members. But there is no clear cut system lying in the bank to appropriate the total recovery from PACS into principal and interest. Therefore, recovery in loans given to PACS and interest income has been booked by the bank without following the procedure laid down in the said direction. Due to the lack of availability of information, we are unable to quantify the deviation in the interest income booked by bank. Also the imbalance gap with PACS has increased due to this reason.
- 4. As mentioned in para 3, the bank is not following the prudential norms and income recognition norms issued by NABARD and also the bank is not following the income recognition norms as per clarification by registrar of Co-operative societies. The Bank has not appropriated the recoveries in the PACS loan accounts neither as per NABARD guidelines nor as per registrar of Co-operative Societies guidelines. In view of above deviation, it is not possible for us to comment on the accuracy of clarification of advances.

#### 5. Recapitalization Assistance

State Government wide its letter no. M&P/Instt./200-1.0/Lg256 dated 31.03.2010 has released its share of Rs.1,85,23,988 under package for revival of Short Term Co-operative Credit structure (STCCS) scheme in Haryana against overdue amount of 10 ineligible PACS of the Bank. As per the said letter, bank is required to furnish a Utilization certificate of aforesaid amount, duly verified and Countersigned by the Chartered Accountant member of DLIC upto 08.04.2010 for submission to R.O. NABARD, Chandigarh. But till date, bank has not utilized the said amount and as per the written communication with bank officials vide letter no.1355 dated 29.4.2010 bank has submitted Utilization Certificate to Apex bank without adjustment or passing the amount to the PACS.
